Message from SCA Academy Director:

Tina McGirr

The 30th of June was the final day at SCA for our 2016 July Students. We celebrated their final day at the academy with a small graduation lunch and we look forward to seeing them at our end of year graduation in December this year. It will be great to hear about their experiences in the industry since graduation. GOOD LUCK GIRLS.

Term 2 for all our February students has seen you settling in to your studies. and it has been very

rewarding seeing how far you have come in such a short period of time. WELL DONE, keep up the good work 🙌

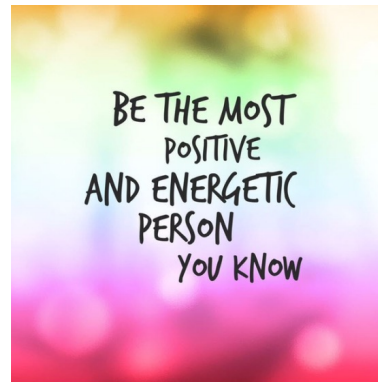

Term 3 for you is Term 1 for all our July 2017 students. Please make them feel welcome, as I am sure you can remember what your first day was like.

Please remember the dress code for all classes (SCA uniform & correct footwear). We are in winter so please layer up but no - hoodies tracksuit jackets and all jackets or undershirts must be black or white. Remember you should be coming to class presented as if you were going to work 😊

SCA now have lockers so please remember to bring in your locks so that are you are able to lock all personal and valuable items within the lockers.

Finally, I would like to thank Georgia, Riley and Luke for all the amazing help and support over the past two weeks. Without them and my wonderful family members I would not have been able to complete everything in time for our new term start date.

Just remember.....
