SCA Hair & Beauty Academy

Message from the Academy Director Tina McGirr

What an exciting start to our educational Year with new students joining our Academy in February 2018 for our Diploma of Beauty Therapy, Diploma of Screen and Media, Certificate III in Hairdressing, Certificate III in Barbering, Certificate III in Beauty Services, Certificate III in Make-up and Certificate III in Nail Technology. As well as some students testing the waters or updating their qualifications in some of our short courses. And of course it was FANTASTIC to welcome back our July 2017 students to their second last Term at SCA.

Term 2 and 4 will begin on the 30th of April for Diploma of Screen and Media students and Diploma of Beauty Therapy students.

While the 1st of May will be the first day back to Term 2 & 4 for our Certificate III in Hairdressing and 2nd of May for our Certificate III in Barbering students, I urge all students to please refer to your SCA emails which will have the Term Timetable for both Term 2 and 4 attached. All Part Time Students must contact the Academy Administration to confirm days and units for this Term.

As always at SCA, it has been a very busy Term with several guest educators visiting the Academy to share their professional knowledge with you all in conjunction with your scheduled classes.

We were lucky enough to have 10 guest educators run professional industry classes in total this term:

Samantha from Dermalogica ran the 'Getting Started with Dermalogica' for our Term 1 Beauty Therapy students and ran the 'Power Up with Dermalogica' class for our Term 3 Beauty Therapy students.

We also had the lovely Amy run the 'Introduction to Bioline' training for our first term students and also the 'Advanced Bioline' training for our Term 3 beauty Therapy students.

Kylee from Intraceuticals visited the Academy to run the 'Intraceuticals Oxygen Facial' class for our Advance facial unit with our Term 3 Beauty Therapy students.

Kim and Belinda from Ansesi took our Term 3 Beauty Therapy students through some beautiful body treatment training in their Provide Body Treatments unit.

Kim also visited our Term 1 Beauty Therapy students in the Provide Waxing Services unit taking them through 'Depileve product training.'

In Certificate III in Hairdressing & our Certificate III in Barbering classes we had Michelle from Keune visit the Academy taking the Term 3 Hairdressing students through their 'Advance Colouring'. We had Kelly from LO'real sharing her knowledge with the students in the 'Colouring and Lightening Discovery' class. We also had Sheree share her wealth of all things LO'real knowledge with our term 1 Hairdressing and barbering students in their 'LO'real Retail Training' class.

We had the extremely talented Roberto Tarla for Keune come down to the Academy and take our First Term Hairdressing and Barbering students through an 'Introduction to cutting' class.

Between you all, you are already building up quite an impressive industry portfolio which is fantastic. All your certificates of participation from the above classes will be presented to you in your Graduation folder at Graduation.

We congratulate our Certificate III in Hairdressing and Diploma of Screen and Media students for participating in work placement throughout this term! Thank you for your representation of the Academy in our community, we are very proud of your achievements this term!

We had Tammy and Danielle from Hairdressing style hair for artists displaying their work on the runway at the RAW Wollongong Event on the 8th of March.

We also had Corey, Tayla and Kayla create amazing hair and make-up looks at the Sydney Mardi Gras. Students also participated in the Miss World Australia and Miss World Tourism Events! Corey, Tayla and Kayla created great looks with their Educator Renee for the Netflix float for Mardi Gras!

The Hairdressing students and Diploma of Screen and Media students volunteered their time to cut and style children's hair, and provide face painting to children at the Goodbye Summer Fair at Killalea hosted by Shell Cove Primary School on 8th April! Thank you to Tammy, Andrea and Danielle from Hairdressing and Nahomy, Britney, Rhiannon and Tayla from Screen and Media!

Term 2 and 4 is another jam packed term which again will see us welcoming more guest educators to our Academy. Please refer to the up and coming events in this newsletter and make a note of all the dates which are affiliated with your studies.

Term 4 will go extremely fast for our July 2017 students so I encourage you to make sure that you commit yourself to your studies. This will be your last Term at SCA before entering the industry that you are all so passionate about. I know you have all given so much already, but just hang in there for 10 more weeks and then finally you will have the qualifications to start your DREAM JOB.

I ask all students to reflect back on the day you and I first met in your pre-enrolment interview and to remember why you wanted to study at SCA Hair & Beauty Academy. Let that PASSION and ENTHUSIASM be your driving force to a very SUCCESSFUL TERM.

This term has also been the last term for one of our Hair Educators Hayley Duncan. After four years of being a part of the SCA Team, Hayley requested leave for this term. However, Hayley has since decide that her leave will be indefinite. Hayley is due to have her second child in December of this year and wants to concentrate on her health and focus on her family and business. I wish Hayley and her family all the best and Hayley knows she will always be a part of the SCA family.

I would like to finish this newsletter by recognising and congratulating those students who have already secured jobs in their chosen fields:

- Gabrielle Spinks – Ella Rouge Laser Clinic
- Holly Banks – Akorah Day Spa
- Moriah Radford – Palm Body Clinic
- Allannah Gould – Siva Beauty and Hair, Body and Soul
- Arabella Tobin – Akorah Day Spa

And with an inspirational quote:

*Success is not the key to happiness.
Happiness is the key to success. If
you love what you are doing, you
will be successful.*

~ Albert Schweitzer ~

Thank you all for allowing our team and myself to take you on this educational journey.
