Message from the Academy Director *Tina McGirr*

Dear Students and Staff,
Greetings to you all, it is just not possible in this brief address to capture all the amazing events in 2018. I would firstly like to congratulate all our graduating SCA students. What a wonderful night we had at this year's graduation. It was an absolute honour to meet all of our student's family and friends who come along to join in with the celebrations.

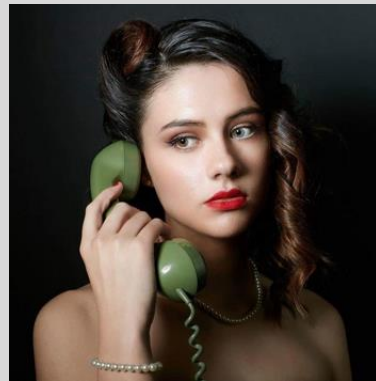

I am hugely grateful to all our students for choosing SCA Academy as your place of study and allowing my staff and I to guide you through your newly chosen career path. I would also like to take this opportunity to thank my peers in the industry for choosing SCA Academy as their place of study for their apprentices. Our apprenticeship intake is growing every year and I look forward to it increasing in size in 2019. In saying, that I would like to take this opportunity to again formerly thank all my SCA team for all their hard work and dedication this year.

On the 4th December we had the Amazing photographer Tom Lau come to the Academy and capture great looks from all students for their assessments!

We thank Tom for coming to the Academy twice a year to help our students in their make-up and hair assessments and capturing amazing work for student portfolios!
