Term 1/3 Commencement Date

1st of February 2021

Holiday workshops

We had to very successful 2021 Orientation Day it was great to see so many students enrolling for a New Year!

Message from Academy Director

Tina McGirr

It was wonderful to welcome our July 2020 students along with our new intake of 2021 students to their first day of term at South Coast Academy

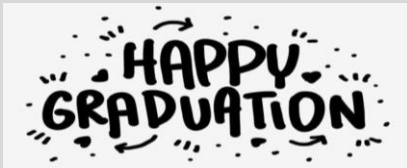

I would also like to thank my staff for the work they did in the break to help with the preparation for this term. This term will be an eight-week term due to the Easter Long-weekend. Term Two will run for ten weeks and commence on the 19th of April 2021.

We have started the year strong with all students already showing their dedication for the term ahead.

We are excited to have guest educators from Bioline, Dermalogica, Depileve and Fiona Carr visiting our Academy this term, to educate our SHB50115 Diploma of Beauty Therapy, SHB40115 Certificate IV in Beauty Therapy and SHB30115 Certificate III in Beauty Services students this term. The dates for their schedule visits will be listed on your student portal.

Our SHB30416 Certificate III in Hairdressing and our SHB30516 Certificate III in Barbering students are also lucky to have in class training with L'Oreal, Keune and Keune's Ambassador Roberto Tarla this term. The training dates are listed on your student portal.

I am looking forward to working alongside my team to educate and inspire passion to each student's chosen industry.

Holiday short course highlights

We ran a FEE – FREE Beauty Services Summer Skills course through the holiday period, which was quite successful with 50% of the students choosing to enrol in our SHB50115 Diploma of Beauty Therapy course this year.

2020 Graduation

Congratulations to all our 2020 South Coast Academy graduates, A great time was had by all at our 2020 graduation, which was held at the beautiful Ravens Thorpe venue.

It is always a pleasure to present our graduates with the well earned qualifications and meet their family friends who have supported them through their journey. Students who have performed outstandingly throughout the year were recognised with outstanding achievements awards. I am so delighted to report that over 95% of our graduates have been able to obtain work in their chosen fields a job well done to all.
