**Message from the
Academy Director,
Tina McGirr**

Well, we made it through to the end of the term! All of us have learned and stretched ourselves beyond what we thought possible. I would like to thank all the SCA team and all our amazing students for being so supportive with the many changes we have had to make throughout term 2/4 to fit in with the COVID restrictions. It is with your diligence that we have been able to keep our classes running face to face throughout the term.

I would also like to stress that we are not out of the woods yet and I need to ask that we all still abide by the regulation we have put in place to allow us to work and study in a safe environment. An email has been sent out to remind everyone of the protocol we must follow during the restrictions

I would like to take this opportunity to congratulate our July 2019 students on graduating and look forward to celebrating at our end of year graduation to be held in December 2020.

Welcome to our newest team member

We would like to introduce the newest member to the SCA Education Team, Vanessa Henwood. Vanessa has over 16 years of experience in the hair industry and has worked on editorial shoots in Marie Claire and Rush Magazine. Vanessa still works regularly in the fashion industry for hair and makeup and is well renowned for her bridal work through her business The Bridal Hair Co. We are excited to have Vanessa on the team and know Vanessa will bring a wealth of knowledge with her to pass on to our enthusiastic and passionate students

WELCOME TO THE TEAM VANESSA!

We say farewell to one of our team members

Angela Brookes has moved on and we wish her all the best for her future endeavours. Renee Taylor, our previous head make-up Educator, will be back full time this term and is looking forward to passing on all her experience and knowledge to our current passionate and enthusiastic Screen and Media students.

Term highlights

We had two fantastic photo shoots this term which both ran smoothly and captured the talented work of our Diploma of Screen and Media, Certificate III in Beauty Services, Cert III in Hairdressing, Apprentices in both hairdressing and Beauty Therapy, and our Diploma of Beauty Therapy students. A big thank you to our Educators Angela and Emma for sharing their industry experience and guiding our students through this process, making it not only informative, but also a fun learning experience for all students involved and one I am sure they will remember for along time to come. I would also like to thank Samantha on Administration for making sure all students had professional models for the big day and assisting the Educators through the process.

Of course, the day could not have taken place without our talented photographers a huge thank you to Tom Lau from @tomlau_photography and Anthony and Leanne from @Anthony stone studios. Thank you for creating such a memorable experience for our students and capturing their vision on in photos.
