We were very fortunate this term to have many guest educators along with industry peers visit our Academy to share their knowledge with our students. Please see them outlined.

We held workshops over the April holidays, a Lash Lift workshop on the 14<sup>th</sup> April and Henna Brow on the 13<sup>th</sup> April.

Students participated in Bioline Training on the 21<sup>st</sup> April with Clare demonstrating a peel specialised facial.

Educators demonstrated hair and make-up skills apart of State Training on the 29<sup>th</sup> April.

Students participated in Refectocil Training on the 10<sup>th</sup> May where brow lamination was demonstrated.

We held a Photoshoot with Zest Images Photography on the 3<sup>rd</sup> June with our hair and make-up students as part of their assessment.

SCA had the wonderful Melissa Gigliotti perform a make-up workshop with our students on the 10<sup>th</sup> June.

I look forward to welcoming all our students back for exciting term 3 and of course welcoming on new July 2021 intake of students. Even though we have been faced with another COVID lockdown in both our Shellharbour and Wollongong area we will strive to deliver the professional training that SCA is renowned for.

We remain positive that the restrictions will be lifted on the 9<sup>th</sup> of July allowing all our classes to resume on the 12<sup>th</sup> of July. However, if the restrictions remain, we are prepared to offer all classes through Zoom until face-to-face classes can resume. This will allow little disruption towards all student's studies.

Please stay POSITIVE and SAFE this term break even though we are faced with so many uncertainties during this month, know that we are doing everything possible to assure that your SCA studies are the one constant in an ever-changing environment.
