Term 2/4 Commencement Date

October 25th 2021

Term 1 and 3 was our first terms to be delivered entirely online. It brought some challenges, but we are all so grateful that technology allowed us to keep delivering training to our students.

*Message from
Academy Director
Tina McGirr*

Thank you for your continued support through the term as we have navigated through these uncertain times. It has been so lovely to receive emails and phone calls from students praising the work of my team members. Although we all do what we do because we love it, it is always nice when what we do is recognized and appreciated.

I am sure you are all looking forward to a well-deserved term break and a hiatus from your screens.

Whilst a term break in lockdown doesn't sound the most exciting, I do hope that you are all able to make the most of the lighten restriction during this time. The SCA team is looking forward to having all students back on Campus when permitted. Should you have any questions please do not hesitate to contact me on tina.mcgir@southcoastacademy.com.au

Return to Term 2 and 4

Classes will resume on 11th of October via zoom. Hopefully we will be able to return to face-to-face learning on the 25th of October based on the premier's announcements. We will keep all students updated if there are any changes via email.

Please be aware there will be a range of COVID guidelines that will need to be adhered to allow the Academy to operate safely.

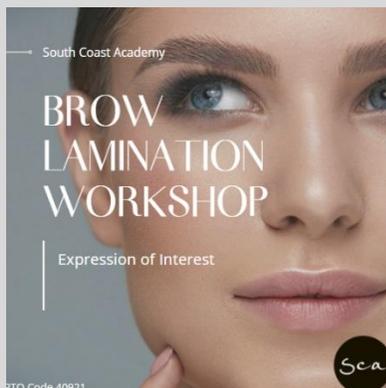

All students, clients and staff members wellbeing are of our highest priority. Clinic days will commence again on Fridays once the NSW Government have finalised the industry standards during COVID.

Enrolments for 2022 classes

We will be opening enrolments for all 2022 courses mid-October 2021. If you are interested in enrolling in a course, please call or email your interest to the Academy email.

If you are not already following our social media, follow our Facebook and Instagram for regular updates and for upcoming courses and workshops.

Training Days

A big thank you to Kryolan, Bioline, Intraceuticals, Dermalogica, Dateline and L'Oreal for offering online Zoom training days with our students. This was a great opportunity for more learning for our students whilst still in lockdown. Students learnt about a range of products and techniques that they can utilise once back to face-to-face learning on campus.

Holiday Workshops and Courses

We are hoping to offer a range of short courses and workshops during the summer break. This can include Lash lifting, Brow Lamination, Henna tinting, Skin Needling and Beauty and Hair Summer Skills courses. The courses on offer will be based around what we can offer under the current COVID restrictions.

Term 2/4 Timetable

In regard to the new timetable for next term, this will be uploaded to your Wisenet Portal by the final week of the holidays. Please understand their might need to be some changes made once we get finalisation of restriction and guidelines by the NSW Government. We are hoping to commence with practical as soon as we are back in at the Academy.

It is our mission to cause minimal disruptions and delays to any training within the Academy.

Students who need to pay for their kits for next term need to do so by the 2nd of October. You will not be able to receive your kits until this has been paid. If you have any questions regarding this, please do not hesitate to contact the Academy.

Academy hours during the holiday break

During the holiday break, please see the hours below in which admin will be available to be contacted.

Admin Phone & Email: 10am – 2pm Monday, Wednesday & Friday

Student Support Email: 10am – 3pm Monday to Friday

Please note that staff will not be in the Academy until term recommences.
